## Aux Délices Cooking School

Aux Délices offers classes for adults and children at the Aux Délices kitchens or in the privacy of your home. Classes are generally held on Wednesday evenings for adults and Sunday afternoons for children, unless specified.

We teach easy, interesting and seasonal food preparation using a variety of cooking techniques. The chef instructors are from Aux Délices, as well as from well-known restaurants in Fairfield County and New York City.

### Corporate Team Building

Cooking a meal as a group offers a great opportunity for team building within an organization. We offer both hands-on and demonstration classes and will tailor a team building event for your organization.

### Private Parties

Having a special occasion? We also offer cooking classes as private parties in our kitchen or in the privacy of your home. We can individually-tailor a lesson for smaller groups. Children's birthday parties, bridal showers and adult birthday parties are all welcome and very popular!
